EXPERIENCE

BANK OF AMERICA SECURITIES

San Francisco, CA

Investment Banking Associate

Jun 2024 – Aug 2024; Jun 2025 - Present

- Quarterbacked a ~\$150mm on-going sell-side of a tech services firm, leading preparation of marketing materials, valuation models, management presentations and driving auction dynamics, while navigating a 30% ESOP ownership structure
- Supported ~\$175mm on the road IPO of a food distribution firm as lead left bookrunner, driving marketing materials, investor diligence and roadshow processes, while generating liquidity for existing shareholders
- Evaluated strategic alternatives for a new age geo-thermal firm, assessing ideas such as IPOs, De-SPACs and strategic sale, leading to a ~\$200mm capital raise mandate to fund project development
- Advised sponsor on ~\$100mm buy-side acquisition of a natural gas turbine engineering platform serving data centers, supporting valuation, diligence and negotiations to advance transaction execution
- Assisted first time founders in a sale process of their ed-tech company; evaluating the valuation, managing the auction process and training management for presentations, culminating in multiple bids and a potential ~\$140mm sale
- Developed pitch materials, bake-off presentations and board decks across multiple sectors, supporting senior bankers in winning new mandates and deepening client relationships

APEX CAPITAL GROWTH PARTNERS

Los Angeles, CA

Private Equity Associate

Mar 2024 – Jun 2024

- Presented comprehensive investment committee presentations and detailed operating models for 2 potential acquisition targets to the fund's advisory board, enabling strategic investment evaluations
- Identified potential acquisition targets and conducted rigorous financial and commercial due diligence in alignment with the fund's investment criteria

DELOITTE, TOUCHE & TOHMATSU

Mumbai, India

Management Consultant (Digital Transformation - Operations)

Apr 2021 – May 2023

- Led digital transformation efforts for India's second-largest private sector bank by identifying customer problems, analyzing pain points, discussing process design and running development sprints, increasing corporate digital transactions by 43%
- Designed a dashboard for small and medium sized enterprises, enabling them to view multiple accounts across different banks and gauge the liquidity position and geographic cashflow distribution of the entity
- Ideated and developed a SaaS plug and play prototype for corporate digital banking that formed the base framework for all future transformation projects and drafted a digital transformation training manual that reduced timelines by ~2 months
- Undertook commercial due diligence for a government owned company; presented a deck to Small Industries Development's board, detailing identified synergies, business category mapping and post-acquisition challenges, resulting in an acquisition

KPMG

Mumbai, India

Executive/ Article Assistant (M&A Advisory and Tax)

Sep 2017 – Mar 2021

- Quarterbacked deal structuring for a ~\$72mm slump sale of a publicly listed company's SPV to the investment arm of a financial service provider; ensuring compliance with debt covenants, reducing regulatory and tax burden
- Conducted tax due diligence for a ~\$5.2bn acquisition that was India's first Insolvency Code takeover of a listed steel manufacturer; responsible for researching new loss carry forward regulations and adjusting the final sales consideration
- Computed the fair valuation of a listed aviation company's IT and back-office unit for a ~\$230mm PE fund acquisition using the discounted cash flow and precedent transactions method
